Joining God on Mission Together.

SHINE

like stars in the dark world.

PHILIPPIANS 2:15, NCV

There is something very powerful about churches that work together. Last week we learned about a remodeling need of Pleasant Hill Baptist. Pastor Robert Richardson shared that their education and fellowship building had damage from a water leak. Removing the damaged dry wall revealed termite damage. They asked for help. Antioch Baptist sent some men to replace stud walls and frame out windows. What an encouragement Antioch Baptist has been to their sister church today.

There is still work to be done. Installing electrical outlets, laying a 16-foot block wall, insulation, and hanging sheetrock will be addressed through the next few days. Call Pastor Robert Richardson's cell number at 386-288-5767 to discuss helping with this project. What a great witness we are to the community when we help one another. **Thank you, Pastor David McKeithen, and Antioch Baptist for having a kingdom focus!**

The Callie Jordan Memorial Mission Scholarship 5K will be held this Saturday, May 22nd at Heritage Park & Gardens. Meredith Davis, Children's Ministry Director – Westwood Baptist Church has put together a great leadership team to make this event a success. The proceeds from this event will be used to fund student mission internships. In addition, Westwood will use the race day to connect with the community through the block party and cook out that follows the race. **Thank you to all who have "put their hands to the plow"** during the preparation and execution of this mission fund-raiser.

Speaking of Student Mission Interns, what a meaningful summer awaits them! In addition to local mission/ministry opportunities, these young followers of Christ will experience camp ministry in Maryville, Tennessee; missiological training and practice in Salmon, Idaho; street evangelism, prayer walking, and spiritual mapping among the unreached Basque people group that live around Boise, Idaho; and hurricane relief ministry in Marianna, Florida. **Make this group a part of your regular prayer schedule this summer and look for their blog and reports at sbalive.net.**

The gospel is the foundation for real answers to tough questions in life. We will address one of these questions as Gary Yeldell, Florida Baptist Convention Attorney, and Gary Townsend, North Region Missions Catalyst, Florida Baptist Convention speak to us concerning the gender identity movement. **A Biblical Perspective and Response to the Gender Identity Movement will be held at Southside Baptist on Thursday, May 27th beginning at 7:00 pm.**

Finally, thank you to all the pastors and churches who have allowed me to share a message and mission report with them during the last few months. **Our Father is at work bringing His kingdom to bear in this world today. What an exciting time to be part of what he is doing!**
